## On the Ayn Rand CliffsNotes

*Andrew Bernstein*

In response to Kirsti Minsaas's review of the CliffsNotes to *Anthem*, *The Fountainhead*, and *Atlas Shrugged*, featured in *The Journal of Ayn Rand Studies* (vol. 3, no. 1, Fall 2001: 151–58), author Andrew Bernstein writes:

I stand on the literary and philosophical merit of these works, and of their value to the high school and college student audience for whom they are intended. I invite any interested party to read any or all of the Ayn Rand CliffsNotes, then to read or re-read the review, and judge for themselves.
